Academic and Professional History

Current Professor of Innovation Management and Entrepreneurship
(from August 2021) **Stiftungsfonds Deutsche Bank Chair of Innovation Management and Entrepreneurship**
HHL Leipzig Graduate School of Management, Leipzig, Germany.

2014-2021 Professor, Innovation and Intellectual Property
Skolkovo Institute of Science and Technology (Skoltech), Moscow, Russia.
Director, Innovation and Intellectual Property Laboratory (2015-2021)
Associate Dean of Education, Skoltech (2015-2016).

2010-2014 Professor of Entrepreneurship and Intellectual Property, **Curtin University.**
Faculty of Science and Engineering (2012-2014): School of Electrical Engineering and Computing. Curtin Business School (2010-2012): Director, Master of Business Administration & Deputy Director, Curtin Graduate School of Business.

2010 Gastprofessor & Wissenschaftlicher Mitarbeiter
Lehrstuhl für Wirtschaftsrecht und Geistiges Eigentum, Fakultät für
Wirtschaftswissenschaften (TUM School of Management)
Technische Universität München, Munich, Germany.

2007-2008/9 Max Planck Gesellschaft Fellowship for International Scientific Cooperation
Max Planck Institut für Geistiges Eigentum, Wettbewerbs- und Steuerrecht
Munich, Germany.

2006-2007 Professor of Management, College of Management & Faculty of Science.
Chair, Entrepreneurship Management Program & New Technology Ventures Program,
College of Management. **Mahidol University, Bangkok, Thailand.**

2004-2006 Honeywell / W. R. Sweatt Chair in the Management of Technology
Professor & Program Director, Management of Technology Program
Center for the Development of Technological Leadership
Institute of Technology, **The University of Minnesota.**

2001-2004 Professor of Management and Entrepreneurship
Gore School of Business, **Westminster College.**

1998-2001 Associate Professor, College of Engineering and Applied Sciences
Director, Management of Technology Program & Industrial and Business Initiatives
State University of New York at Stony Brook.

(August 2021)

Curriculum Vitae: Professor Kelvin W. Willoughby

- 1994-1998 Director, Management of Technology Program
The University of Utah (College of Engineering and David Eccles School of Business);
& Clinical Associate Professor of Management, Department of Management,
David Eccles School of Business, **The University of Utah**.
- 1990-1994 Lecturer in Business Policy and Strategy (Tenured)
The University of Western Australia, Faculty of Economics and Commerce
(Graduate School of Management & Department of Organisational and Labour Studies)
Director, Honours Program in Management. Granted tenure in July 1993.
- 1993 Visiting Scholar
Columbia University, New York, Urban Planning Program.
- 1991-1992 Visiting Assistant Professor, Research Scholar and Project Director
State University of New York at Stony Brook
Center for Biotechnology, & W. Averell Harriman School of Management and Policy.
- 1988-1993 Research Associate and Lecturer
The University of California at Berkeley.
Haas School of Business, Center for Research in Management (Postdoctoral Fellow);
Institute of Business and Economic Research (Postdoctoral Fellow); Institute of Urban
and Regional Development (Research Associate, 1988-1993); Institute of Governmental
Studies (Fellow); Agricultural Issues Center (University of California System-wide);
Department of City and Regional Planning (Lecturer, 1990).
- 1987-1988 Research Fellow
The University of Western Australia
Faculty of Economics and Commerce, Department of Management.
- 1986 Extension Officer
The University of Western Australia, University Extension.
- 1980-1986 Doctoral Student and part-time tutor/lecturer
Murdoch University
School of Environmental and Life Sciences & School of Education.
- 1984-1986 Council Member
Science, Industry and Technology Council, Government of Western Australia.
Chairman of Working Parties on (1) Social and Industrial Impact of Technology, (2)
Technology Taxonomy and (3) Technology for Aboriginal Communities. Member, Working
Parties on (1) Education and Technology and (2) Technology Assessment.
- 1982-1985 Founder, President and C.E.O.
The Appropriate Technology Development Group, Inc.
(a not-for-profit organization involved in sustainable development and social
entrepreneurship), and **APACE Aid Inc.** (a charitable organization providing
entrepreneurship training for unemployed people).
President 1982-1984; Advisor and Vice President 1984-1985.
- 1978-1979 Graduate Assistant
Metropolitan Region Planning Authority, Government of Western Australia.

Higher Education

Master of Laws (LL.M.)

Universität Augsburg, 2008.

Munich Intellectual Property Law Center: Max-Planck-Institut für Geistiges Eigentum, Wettbewerbs- und Steuerrecht; Technische Universität München; George Washington University; Universität Augsburg. (Field: intellectual property)

Dissertation: "*Technology and the Law of Patent Eligible Subject Matter.*"

Doctor of Philosophy (Ph.D.)

The University of Western Australia, 1999.

Graduate School of Management

(Fields: strategic management and technology management)

Dissertation: "*Strategies for the Local Development of Advanced Technology Industry: Clues from the Case of Biotechnology in New York State.*"

Fulbright Postdoctoral Fellowship

The University of California at Berkeley, 1988-1990.

(Fields: strategic management and economic development planning)

Doctor of Philosophy (Ph.D.)

Murdoch University, 1987.

School of Environmental and Life Sciences

(Field: technology studies)

Dissertation: "*Appropriate Technology: An Integrated Framework for Policy and Practice*"

Bachelor of Arts with First Class Honours (B.A. Hons. 1st Class)

Murdoch University, 1980.

School of Mathematical and Physical Sciences

(Fields: technology studies, population & resource studies)

Dissertation: "*Technology and Traditional Wisdom: A Study of the Thought and Work of Ernst Friedrich Schumacher*"

Awards and Honors

- 2020-2022 *Otto Mønsted Gæsteprofessorat*, awarded by the Otto Moensted Foundation for the Otto Moensted Visiting Professorship at the Copenhagen Business School.
- 2019 Elevated to *IEEE Senior Member* status, IEEE (Institute of Electrical and Electronics Engineers).
- 2018 *HRH Princess Maha Chakri Sirindhorn* award for contribution to educational and research collaboration between the Kingdom of Thailand and the Russian Federation (TRRT).
- 2018-2022 Guest Professor, School of Intellectual Property, Nanjing University of Science and Technology, Nanjing, China.
- 2018-2020 Adjunct Professor, School of Electrical Engineering, Computing and Mathematical Sciences, Curtin University, Australia.
- 2018-2011-2021 Director, GLORAD, Center for Global R&D and Innovation
Visiting Professor, Department of Industrial and Systems Engineering, The Hong Kong Polytechnic University, Kowloon.
- 2012-2013 Resident Entrepreneur, Innovation Centre of Western Australia. Government of Western Australia.
- 2009 Appointed as the 314th Honorable Member of the Mahidol University Alumni Association under the Patronage of His Majesty the King of Thailand, 2009.
- 2007-2008 *Diplôme d'honneur, Propriété Intellectuelle Européenne*, EIPIN (European Intellectual Property Institutes Network): Strasbourg, Munich, Zurich, London, Alicante.
- 2007-2008 Max Planck Gesellschaft Fellowship for International Scientific Cooperation. Fellowship to study intellectual property law at the Max-Planck-Institut für Geistiges Eigentum, Wettbewerbs- und Steuerrecht, Munich, 2007-2008.
- 2006 BioBusiness Alliance of Minnesota, Honorable Recognition. Recognition of profound impact on the future of biobusiness in Minnesota for work as Co-chair of the Minnesota Statewide Biobusiness Assessment Project, 2005-2006.
- 2001 Study Award for Outstanding Young American Management Executives, Carl Duisberg Gesellschaft e.V., Gemeinnützige Organisation für Internationale Weiterbildung und Personalentwicklung. Munich and Berlin, July 2001. Sponsored by the State of Bavaria.
- 2000 Outstanding Faculty Award, conferred by the Institute for Industrial Policy Studies for outstanding teaching in the Master of Science in Technology Management degree program of the State University of New York at Stony Brook, during 1999-2000.
- 1988-1990 Fulbright Award, 1988-1990
Awarded for postdoctoral fellowship at the University of California, Berkeley.
- 1991 Gold Medal, Technology Transfer Society (Lang-Rosen Award), 1991
Awarded by the Technology Transfer Society (United States) for the best scholarly paper published in *The Journal of Technology Transfer* during 1990-1991.
- 1988 Popular and Effective Lecturer Award for MBA Lecturers, 1988. Awarded 1st place by the Western Australian Institute of Business Administration (Inc.) for teaching in the Master of Business Administration program at the University of Western Australia.
- 1987 Government of Western Australia, Certificate of Special Recognition, 1987
Awarded by the Premier of Western Australia for valued contribution to the advancement of science, industry and technology in the State of Western Australia.
- 1986 Murdoch University Convocation Award, 1986. Granted for outstanding scholarship (with a special emphasis on interdisciplinary research and teaching), service to Murdoch University, and building cooperation between the University and the wider community.
- 1980-1985 Commonwealth Postgraduate Research Scholarship.
Awarded to carry out doctoral research.
- 1997 Honorary Life Membership,
The Appropriate Technology Development Group, Inc. (APACE Western Australia), 1997 -

Publications

Refereed Scholarly Journal Articles

“Reverse Innovation, International Patenting and Economic Inertia: Constraints to Appropriating the Benefits of Technological Innovation,” *Technology in Society*, Volume 67, November 2021, 101712. Kelvin W. Willoughby & Nadezhda Mullina.
<https://doi.org/10.1016/j.techsoc.2021.101712>

“Rethinking the Dynamics of Innovation, Science, and Technology: The Curious Case of Stirling Engines and Stirling Refrigerators,” *Energy Research & Social Science*, Volume 79, September 2021, 102159. Dmitry S. Smirnov & Kelvin W. Willoughby.
<https://doi.org/10.1016/j.erss.2021.102159>

“Contextual Factors Affecting Patent Licensing Provisions in Collaboration Agreements of Complex Technological Organizations,” *International Journal of Intellectual Property Management*, 11, 3 (2021), 280-315. Punyapat Saksupapchon & Kelvin W. Willoughby.
<https://doi.org/10.1504/IJIPM.2020.10032645>

“Intellectual Property Management, Dynamic Capabilities and Competitive Innovation in the Commercial Aircraft Industry,” *International Journal of Intellectual Property Management*, 11, 3 (2021), 236-262. Punyapat Saksupapchon & Kelvin W. Willoughby.
<https://doi.org/10.1504/IJIPM.2020.10032446>

“Endogenous innovation, outward-bound international patenting and national economic development,” *The Journal of Technology Transfer*, 45, 3 (2020), 844-869. Kelvin W. Willoughby.
<https://doi.org/10.1007/s10961-018-9705-1>

“Customized to Fit: Intellectual Property Management in Innovation-focused Co-creation Projects,” *The Journal of Product Innovation Management* (revise and re-submit, January 2021). Anja Tekic, Kelvin W. Willoughby & Johann Füller.

“An Approach to AI-Enhanced Patent Analysis for Emerging Advanced Technology Industries: Insights from the Domain of Quantum Technology,” *World Patent Information* (under review, December 2020). Zeki Can Seskir & Kelvin W. Willoughby.

“Configuring intellectual property management strategies in co-creation: A contextual perspective,” *Innovation: Organization and Management*, 22, 2 (2020), 128-159. Anja Tekic & Kelvin W. Willoughby.

Willoughby, “Appropriate Technology for Australian Industry: a challenge to philosophical analysis and policy formulation,” Paper presented to Section 37 (History, Philosophy & Sociology of Science) of the 52nd ANZAAS Congress, Australia’s Industrial Future, Macquarie University, Sydney, May 1982, 42 pages.

Kelvin W. Willoughby, “Social Responsibility Towards the Natural Environment,” Seminar #3, ANZAAS Seminar Series: Social Responsibilities of Scientists and Professionals, The University of Western Australia, 19th August 1981.

Invited Lectures and Guest Seminar Presentations

Keynote speaker, *First GBA (Greater Bay Area, China) International Summit on Intellectual Property and Technology Transfer*, Xi’an Jiatong-Liverpool University, Nansha Guangzhou, China, 31 May 2021. Topic: “Endogenous Innovation, Outward-bound International Patenting and National Economic Development: China and the World”

Invited speaker, *Russia-Japan STS Forum (Science and Technology in Society, STS Forum & JETRO* (Tokyo), Sk Сколково & Skoltech (Moscow), 17 November 2020. <https://events.skoltech.ru/sts-forum>. Topic: “Technological Innovation, National Economic Development and International Intellectual Property Management”

Invited speaker, *Skolkovo IP Academy (IP Академия Сколково), Distant and Digital*, Technopark, Skolkovo, Moscow, Russia, 8-9 October 2020. Master Class. Topic: “How Intellectual Property Drives Innovation Companies to Go Global?”

Invited speaker, *International Conference, “Intellectual Rights: Challenges of the 21st Century,”* Tomsk State University, National Research University, Tomsk, Russia, 14-16 November 2019. Topic: “Endogenous Innovation, Outward-bound International Patenting and National Economic Development”

Invited speaker, *International Conference, “Intellectual Rights: Challenges of the 21st Century,”* Tomsk State University, National Research University, Tomsk, Russia, 14-16 November 2019. Topic: “What Can Be Patented? Technological Innovation and the Contemporary Mess in Patent Law”

Invited speaker, *Skolkovo IP Academy (IP Академия Сколково), Technopark, Skolkovo, Moscow, Russia, 18-20 September 2019. Master Class.* Topic: “Universities, Intellectual Property and Global Technological Innovation”

Invited speaker, *National Science and Technology Agency, Kingdom of Thailand, Thailand Science Park, Bangkok, 21 January 2019.* Topic: “Fostering Linkages Between Research and Education with Innovation and Entrepreneurship”

Curriculum Vitae: Professor Kelvin W. Willoughby

Invited speaker, Suranaree University of Technology, Nakhon Ratchasima, Thailand, Seminar Series in Entrepreneurship Development, 14 January 2019.

Topic: “Entrepreneurship and Innovation Practice at Skoltech, Russia”

Invited speaker, Walailak University, Nakhon Si Thammarat, Thailand, 10 January 2019. Special Seminar, Invitation of President.

Topic: “Endogenous Innovation, Technology Entrepreneurship and Economic Development: Does Intellectual Property Matter?”

Invited speaker, Walailak University, Nakhon Si Thammarat, Thailand, 10 January 2019. Special Seminar, Invitation of President.

Topic: “How Can a University Generate Impact in Business and Society Through Technological Innovation?”

Invited speaker, *Skolkovo Patent School* (Патентная Школа Сколково), Technopark, Skolkovo, Moscow, Russia, 1-2 November 2018. Seminar on Best Practice in Managing Intellectual Property in Universities and Institutes.

Topic: “Raking Leaves in the Wind: Managing University IP in Turbulent Times”

Keynote speaker, *International Conference on Business and Sustainable Development (JCBSD 2018)*, University of Rajshahi, Rajshahi, Bangladesh, 8-9 March 2018.

Topic: “Endogenous Innovation, Outward-bound International Patenting and National Economic Development: What is Happening in Asia?”

Keynote speaker, *China Intellectual Property Conference*, Nanjing University of Science and Technology, College of Intellectual Property, Nanjing, China, 15-16 December 2017.

Topic: “Endogenous Innovation, Outward-bound International Patenting and National Economic Development: China and the World”

Keynote speaker, *28th DAAAM International Symposium*, Intelligent Manufacturing and Automation, DAAAM International Vienna, Technical University of Vienna & University of Zadar, Croatia, 8-11 November 2017.

Topic: “What is Technology?”

Invited speaker and seminar leader, *National Innovation Agency (NIA)*, Government of the Kingdom of Thailand, Bangkok, Thailand, NIA Innovation Space, 24 January 2017.

Topic: “Intellectual Property Management for Entrepreneurs”

Invited speaker, *Skoltech Gen-Y Cross Disciplinary Conference for Young Scientists*, Skolkovo Institute of Science and Technology, Rosa Khutor, Sochi, Russia, 27 September to 1 October 2017.

Topic: “Innovation, Intellectual Property and the Creation of Wealth: What’s at Stake for Nations and Entrepreneurs?”

Invited panel member, *Problems and Prospects for Patent-Eligible Subject Matter in European and United States Patent Law*, Contribution to Panel Discussion on patent-eligible subject matter, Patent Track, 25th Annual Fordham Intellectual Property Law & Policy Conference, Fordham University, School of Law, New York City, 21 April 2017.

Keynote speaker, *7th International Conference on Mass Customization and Personalization in Central Europe (MCP-CE 2016)* and the *1st Regional Conference on Entrepreneurship and Open Innovation (IDEALab 2016)*, University of Novi Sad, Novi Sad, Serbia, 20-23 September 2016.

Topic: “Open Innovation and Intellectual Property”

Invited speaker, *Intellectual Property Management Teaching Workshop*, University of Cambridge & Chalmers University; Sponsored by EITIM (European Institute for Technology and Innovation Management), EPO (European Patent Office), UKIPO (U.K. Intellectual Property Office), and WIPO (World Intellectual Property Organization), 16 September 2016.

Topic: “Technology Licensing Games and IP Management Education.”

Curriculum Vitae: Professor Kelvin W. Willoughby

Invited seminar presentation, Rajiv Gandhi School of Intellectual Property Law, Indian Institute of Technology, Kharagpur, India, 19 May 2016.
Topic: “Contemporary Issues in the Law of Patent-eligible Subject Matter in the United States and Europe.”

Invited seminar presentation, Rajendra Mishra School of Engineering Entrepreneurship, Indian Institute of Technology, Kharagpur, India, 18 May 2016.
Topic: “Financing Technology Entrepreneurship.”

Keynote speaker, Startup Village 2015, Skolkovo Innovation Center, Annual Conference organized by Skolkovo Foundation, Moscow, Russia, 2 June 2015.
Topic: “Why is the Subject of Intellectual Property Important for Startups?”

Invited seminar presentation, John Curtin Institute of Public Policy, Curtin University, Perth, Australia: Policy Forum on the *Next Era of Major Global Technological Innovation*, 17 June 2014.
Topic: “The Biological Nexus of Technological Innovation.”

Invited seminar presentation, MIT-Skoltech Innovation Symposium, Skolkovo Innovation Center, Moscow, Russia, 4 June 2014.
Topic: “What Can Be Patented? Technological Innovation and the Contemporary Mess in Patent Law.”

Invited seminar presentation, Massachusetts Institute of Technology, Sloan School of Management, Cambridge, Massachusetts, 21 October 2013.
Topic: “Intellectual Property and Technological Entrepreneurship.”

Invited Speaker, Innovation Centre WA, Resident Entrepreneur Program, Government of Western Australia, Technology Park, Perth (6 November 2013).
Topic: “Leveraging the Value of Consulting for Technological Entrepreneurship.”

Invited Keynote Speaker, Inter-University Summer School for Postgraduate Research Excellence (InSPiRE) [The University of Western Australia, The University of Notre Dame, Murdoch University, Curtin University, Edith Cowan University], Perth, Western Australia, 11-15 February 2013. (Lecture: 14 February 2013).
Topic: “Intellectual Property and the Commercialization of Technical Ideas: Australia, Asia and the Global Knowledge Economy.”

Invited Keynote Speaker, Innovation Centre WA, Resident Entrepreneur Program, Government of Western Australia, Technology Park, Perth (13 February 2013).
Topic: “Where Three Rivers Meet ... The Sources of Entrepreneurial Wealth.”

Invited Keynote Speaker, Yangon Technological University, Yangon, Myanmar, Sponsored by the Ministry of Science and Technology of the Republic of the Union of Myanmar (Myanmar/Curtin Symposium). (21 November 2012)
Topic: “Developing Local Capabilities for Entrepreneurship and Innovation.”

Invited Keynote Speaker, International Symposium on Trade and Management, Pakse, Lao People's Democratic Republic (Laos) (May 30, 2012).
Topic: “Trading Ideas! Is That Real Business? Asia and the Global Knowledge Economy.”

Invited Speaker, International Trade Day Conference of the Export Council of Australia and the Chamber of Commerce and Industry of Western Australia, Perth, Western Australia. (30 August 2012)
Topic: “Trading Ideas! Is That Real Business? Australia and the Global Knowledge Economy.”

University-wide lecture: Universidad de Puerto Rico Recinto de Mayagüez, Mayagüez, Puerto Rico. Invited Speaker. (16 August 2012)
Topic: “Appropriate Technology: From Idea to Experiment to Sustainable Practice.”

International Symposium on Trade and Management, Ubon Ratchatane, Thailand. Keynote Speaker. (May 30, 2012)
Topic: “Trading Ideas! Is That Real Business? Asia and the Global Knowledge Economy.”

Curriculum Vitae: Professor Kelvin W. Willoughby

Invited Presentation to the Minnesota State House of Representatives, *Jobs and Economic Development Finance Committee*, State Capitol, St. Paul, Minnesota, USA (15 February 2011).

Topic: "The State of the Biobusiness Economy in Minnesota and the United States."

Invited Presentation to the Minnesota State Senate, *Jobs and Economic Growth Committee*, State Capitol, St. Paul, Minnesota, USA (15 February 2011).

Topic: "The State of the Biobusiness Economy in Minnesota and the United States."

Human Resources Summit—Asia, Sentosa Island, Singapore (GDS International).

Invited Speaker. (June 15, 2011)

Topic: "Flexible Delivery of Management Education in a Complex World of International Business."

BioAsia, 2008 Conference, Bangkok, Thailand.

Invited Speaker. (November 27, 2008)

Topic: "Intellectual Property: Friend or Foe for BioBusiness?"

Global University Network for Innovation - Asia and the Pacific (GUNI-AP), 2006 Conference, Bangkok, Thailand.

Invited Speaker. (November 10, 2006)

Topic: "The Role of Technology Firms in Accelerating Commercialization of Science and Technology in the Asia-Pacific Region."

The Future 500 China 2006 Global Conference, Chinese Academy of Social Sciences, Beijing, China.

Invited Speaker. (October 24, 2006)

Topic: "How Can We Turn the Triple Bottom Line from an Idea in to Reality?"

Federal Laboratory Consortium for Technology Transfer, Annual Meeting, Minneapolis.

Invited Speaker. (May 4, 2006)

Topic: "Opportunities for Education and Training in Technology Transfer."

Curtin University of Technology, Graduate School of Business, Perth, Australia.

Invited Speaker. (March 10, 2006)

Topic: "Alternative Financing Options for Entrepreneurs."

Economic Development Association of Minnesota, 2006 Winter Conference, Minneapolis, Minnesota.

Invited Speaker. (January 19, 2006)

Topic: "Standing Apart in the Crowd: Alternative Pathways for Economic Development in Minnesota through BioBusiness."

Tsinghua University, School of Economics and Management, Beijing, China.

Invited Speaker. (October 27, 2005)

Topic: "Organizing for Technological Innovation."

The Future 500 China 2005 Conference, Chinese Academy of Social Sciences, Beijing, China.

Invited Speaker. (October 19, 2005)

Topic: "Soft Technology Strategy: A Key to Corporate Citizenship."

The University of Tokyo, Research Center for Advanced Science and Technology, Doctoral Seminar Series in Intellectual Property, Tokyo, Japan.

(July 28, 2005)

Topic: "Intellectual Property Management: Empirical Evidence from the Bioscience Technology Industries in the United States."

Licensing Executives Society, Minneapolis, Minnesota.

Invited Speaker. (July 12, 2005)

Topic: "Networking and the Performance of Knowledge Intensive Firms in Technology Industries."

Curriculum Vitae: Professor Kelvin W. Willoughby

Minnesota High Technology Association, Spring Conference, Minneapolis.
Invited Speaker. (May 3, 2005)
Topic: "Technology Commercialization and Global Competitiveness."

T2M Horizons Conference, The University of Utah.
Keynote Speaker. (October 1, 2004)
Topic: "Technology and Economic Development."

Edison Conference, The University of Utah.
Panel member. (May 19-20, 2004)
Topic: "Identifying the Market."

Edison Conference, The University of Utah.
Workshop leader. (May 19-20, 2004)
Topic: "Building a better business plan."

National Technology Transfer Center, Wheeling, West Virginia. Entrepreneurial Technology
Apprenticeship Program (Sponsored by the Minority Business Development Administration)
(June 25-27, 2003)
Topic: "Technology commercialization careers in a variety of contexts."

Griffith University, Graduate School of Management, Brisbane, Australia.
(January 3, 2003)
Topic: "Alternative strategies for innovation in high technology industries."

Society of Public Accountants, Annual Professional Development Program, Salt Lake City, Utah.
(September 28, 2001)
Topic: "The Surprises of Financing Utah's High Technology Industries."

National Academy of Sciences, Washington, D.C., National Research Council Seminar on "Ways and
Means of Science" (seminar on the impact of corporate funding on the conduct of research).
(July 14, 2000)
Topic: "The university-industry complex as a creative milieu for science."

Seoul National University, School of International and Area Studies, Seoul, Korea.
(April 18, 2000)
Topic: "E-commerce Infrastructure and the Development of Cyber-business."

1999 Rocky Mountains Biotechnology Symposium, Salt Lake City.
(January 29, 1999)
Topic: "Utah's Bioscience Technology Industry Complex: Prospects for the New Millennium."

New York Software Summit, 1999, New York City.
(January 21, 1999)
Topic: "The Shortage of People in Computing-related Professions and Engineering in New York."

Bio '98, Biotechnology Industry Organization, International Biotechnology Meeting, New York City.
(June 17, 1998)
Topic: "Long Island's Biotechnology Industry." (in Panel on regional Clustering of Bioscience Companies)

Roland Berger & Partner / Government of Bavaria, Munich, Germany.
(November 7, 1997)
Topic: "Factors which lead to technology-based economic development in regions."

New York Biotechnology Association, 6th Annual Meeting, New York City.
(October 24, 1996)
Topic: "New York's Biotechnology and Bio-medical Engineering Industries."

Utah Information Technologies Association, Going Global Conference, Salt Lake City, Utah.
(November 21, 1995)

Curriculum Vitae: Professor Kelvin W. Willoughby

Topic: "Utah's Information Technology Industry: Going Global."

Fourth International Medical Devices Industry Congress, Park City, Utah.
(August 16, 1995)

Topic: "International Business and Biomedical Technology Industry."

Edison Biotechnology Center, Cleveland, Ohio.

(January 20, 1994)

Topic: "Methodological Considerations in the Evaluation of Economic Impacts of Biotechnology Centers."

Case Western Reserve University, Weatherhead School of Management, Cleveland, Ohio.

(January 19, 1994)

Topic: "Strategies for the Local Development of Advanced Technology Industries: Clues from the Case of Biotechnology."

Columbia University, New York City, Graduate School of Architecture, Planning and Preservation.

(December 9, 1993)

Topic: "Technology and the Competitive Advantage of Cities."

Western Australian Technology Studies Society, Inaugural Public Lecture,
Western Australian Technology Park, Bentley.

(March 18, 1993)

Topic: "Technology and the Competitive Advantage of Regions."

New York Biotechnology Association, Inc., Annual Meeting, World Trade Center, New York City.

(September 26, 1991)

Topic: "What's at Stake Here? Can New York Compete in Biotechnology?"

Centre for International Research on Communication and Information Technology, Melbourne, Australia.

(November 1990)

Topic: "Spatial Dimensions of the Information Economy."

Australian Graduate School of Management, The University of New South Wales.

(July 1990)

Topic: "Strategic Issues in the Development of Advanced Technology Industries."

Division of Agriculture and Natural Resources, Office of the President, University of California (System wide).

(June 1990)

Topic: "Is Local Enterprise Development Possible in Rural Areas with Limited Resources?"

State University of New York at Stony Brook, Center for Biotechnology.

(June 1990)

Topic: "Lessons for New York from California's Biotechnology Industry."

Fordham University, Graduate School of Business Administration, New York City.

(June 1990)

Topic: "Strategic Issues in the Development of Advanced Technology Industries."

The University of Lethbridge, Faculty of Management, Alberta, Canada.

(March 1990)

Topic: "Technology and Regional Economic Development."

Institute of Governmental Studies, University of California at Berkeley, Rural Development Seminar Series. (March 1990)

Topic: "Agriculture, Productivity and Rural Development."

Institute of Governmental Studies, University of California at Berkeley, Faculty Seminar.

(October 1989)

Topic: "Technological Semantics and Technological Practice."

Curriculum Vitae: Professor Kelvin W. Willoughby

California State University, Stanislaus, Institute of International Studies.

(April 1989)

Topic: "People, Technology and a Sense of Place: Critical Choices in Economic Development."

Fulbright Annual Conference, Asilomar, California. Keynote Speaker.

(March 1989)

Topic: "New Forms of International Collaboration."

Judge and Resource Person, Biotechnology Symposium, Lawrence Hall of Science, University of California at Berkeley. (November 1988)

Prince of Songkla University, Faculty of Management Sciences, Thailand.

(January 1988)

Topics: "Research Methodology" and "Technology Policy and Management."

2nd E. F. Schumacher Memorial Conference, The University of Newcastle, N.S.W.

(November 1986)

Topic: "Technology and Work: Applying Schumacher's Philosophy."

Teaching Experience

Professor / Lecturer

"Intellectual Property, Technological Innovation and Academic Research" DC060006, Doctor of Philosophy Program, Skolkovo Institute of Science and Technology, Moscow. (2016, 2017, 2018, 2019, 2020, 2021)

"Intellectual Property, Technological Innovation and Entrepreneurship" MC060006, Master of Science, Skolkovo Institute of Science and Technology, Moscow. (2015, 2016, 2017, 2018, 2019, 2020, 2021)

"Innovation and Intellectual Property Studies Doctoral Seminar" DC060009, Doctor of Philosophy Program, Skolkovo Institute of Science and Technology, Moscow. (2016, 2017, 2018, 2019, 2021)

"Research Methodology in Engineering Systems" DA030102cf, Doctor of Philosophy Program, Skolkovo Institute of Science and Technology, Moscow. Co-taught course led by C. Fortin. (2020, 2021)

Curriculum Vitae: Professor Kelvin W. Willoughby

"Philosophy of Science, Technology and Innovation" PE06026k, Doctor of Philosophy Program, Skolkovo Institute of Science and Technology, Moscow. (2017-2018)

"Comparative International Patent Law," Faculty of Law, National Research University, Higher School of Economics, Moscow. (2016)

"Technology Entrepreneurship," Master of Science, Skolkovo Institute of Science and Technology, Moscow. Co-taught with Zeljko Tekic. (2015)

"Innovation Workshop," Master of Science, Skolkovo Institute of Science and Technology, Moscow. (2014, 2018, 2019)

"Legal Framework and Sustainability in Electrical Engineering, 400," Bachelor of Engineering, Department of Electrical and Computer Engineering, Faculty of Science and Engineering, Curtin University. (2013, 2014)

"Entrepreneurship and Creativity, 660," Master of Business Administration, Curtin Graduate School of Business, Curtin University. (2010, 2011, 2012)

"Technology Transfer and Commercialization, ISE-5001," Master of Science in Technology Management, Department of Industrial and Systems Engineering, The Hong Kong Polytechnic University. (2011, 2012, 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021)

"Strategic Management, MGMG-509," Master of Management, College of Management, Mahidol University. (2007)

"Introduction to Business Planning, MGMG-562," Master of Management, College of Management, Mahidol University. (2007) Co-taught with Aj. D. Fuchs.

"Managing Organizations in a Technological Environment, MOT-8121," Master of Science in Technology Management, Center for the Development of Technological Leadership, The University of Minnesota. (2005, 2006)

"Developing New Technology Products, MOT-8212," Master of Science in Technology Management, Center for the Development of Technological Leadership, The University of Minnesota. (2005, 2006)

"International Management of Technology Project, MOT-8950," Master of Science in Technology Management, Center for the Development of Technological Leadership, The University of Minnesota. (2005, 2006)

"Management of Technology Capstone Projects, MOT-8234," Master of Science in Technology Management, Center for the Development of Technological Leadership, The University of Minnesota. (2004, 2005, 2006)

"Design and Evolution of Technology Commercialization Strategy, MBA-TM-628," Master of Business Administration in Technology Management, Gore School of Business, Westminster College. (2003, 2004)

"Enactment of Technology Commercialization Strategy, MBA-TM-629," Master of Business Administration in Technology Management, Gore School of Business, Westminster College. (2003, 2004)

"Introduction to the Process of Technological Innovation, MBA-TM-610.01," Master of Business Administration in Technology Management, Gore School of Business, Westminster College. (2002, 2003, 2004)

"Business Law and the Management of Intellectual Property in the Information Age, TMP-555a," Master of Science in Technology Management, College of Engineering and Applied Sciences, State University of New York at Stony Brook. Taught in Seoul, Korea. (2000, 2001)

"Technology Management and Industrial Context (Telecommunications), TMP-555b," Master of Science in Technology Management, College of Engineering and Applied Sciences, State University of New York at Stony Brook. Taught in Seoul, Korea. (2000)

"Strategic Management of Technological Innovation, TMP597," Master of Science in Technology Management, College of Engineering and Applied Sciences, State University of New York at Stony Brook. Taught in Seoul, Korea. (1999, 2000)

"Strategic Management and the Banking Industry," Master of Business Administration, Helsinki School of Economics and Business Administration. Taught in Seoul, Korea. (2000)

"Strategic Management of Technology, TNT-506," Executive Program for Managers of Chinese Information Technology Enterprises (Sponsored by Chinese Academy of Sciences & Computer Associates), College of Engineering and Applied Sciences, State University of New York at Stony Brook. (1999)

"Management of Technology (A): The Technology Based Firm, MGT673," Master of Business Administration, David Eccles School of Business, The University of Utah. (1996, 1997, 1998)

"Management of Technology (B): Technological Contexts, MGT675," Master of Business Administration, David Eccles School of Business, The University of Utah. (1996, 1997, 1998)

"International Management, MGT690," Master of Business Administration, David Eccles School of Business, The University of Utah. (1998)

"Entrepreneurship in Emerging Technology, CSCI-686-2," Department of Computer Science, The University of Utah. (1997)

"Entrepreneurial Bioengineering, BIOEN595-4," Department of Bioengineering, The University of Utah. (1996) (jointly with Dr. Richard Normann)

"Entrepreneurship, MGT678," Master of Business Administration, David Eccles School of Business, The University of Utah. (1995)

"Managing Innovation and Technology, MGT673," Master of Business Administration, David Eccles School of Business, The University of Utah. (1995)

"Innovation and Technological Design, MGT575," Master of Business Administration, David Eccles School of Business, The University of Utah. (1995 & 1996)

"Strategic Management 450.552," Master of Business Administration, Graduate School of Management, The University of Western Australia. (1991, 1992)

"Strategic Management 450.321," Bachelor of Commerce, Department of Management, The University of Western Australia. (1992, 1993, 1994)

"Rural/Small Town Planning and Policy: US and International Perspectives," CP221, 1990, Department of City and Regional Planning, University of California at Berkeley (co-taught with T. Bradshaw)

"Organisations, Technology and Society 450.543," Master of Business Administration, Graduate School of Management, The University of Western Australia. (1988, 1990, 1991)

Curriculum Vitae: Professor Kelvin W. Willoughby

"Management of Technology 450.343," Bachelor of Commerce, Department of Management, The University of Western Australia. (1990, 1991)

"Strategic Management 450.441," and "Strategic Management 450.442," Honours Program, Department of Management, The University of Western Australia. (1990, 1992, 1993, 1994)

Course Controller, Honours Program in Management, Department of Management, The University of Western Australia (1991, 1992)

A series of courses in Economic Development Policy, University Extension, The University of Western Australia. (1982-1986)

Occasional Lecturer

"Strategic Management," School of Business and Economics, Winston-Salem State University, Winston-Salem, North Carolina. (2004)

"Executive MBA in Utilities Management," Helsinki School of Economics and Business Administration, Seoul, Korea (Institute of Industrial Policy Studies). (1999)

"Urban and Regional Development in the Third World" Masters course, Department of City and Regional Planning, University of California at Berkeley. (1989)

"Engineering and Society 400," fourth year course, Faculty of Engineering, The University of Western Australia. (1988)

"Technology Studies," Diploma of Education Course, Faculty of Education, The University of Western Australia. (1988)

"Entrepreneurship 445 and 446," joint undergraduate course of Dept. of Management and Department of Electrical and Electronic Engineering, The University of Western Australia. (1986)

Undergraduate science course, "Energy and Life Systems," Murdoch University. (1985)

Interdisciplinary undergraduate course, "Science, Technology & Society," Murdoch University. (1979-1984, 1986, 1987, 1990)

Postgraduate course, "Resources Planning," Department of Town Planning, Curtin University of Technology (previously WAIT) (1981, 1983, 1984, 1987). Course lecture series organizer in 1981.

Undergraduate science course, "Environmental Praxis," Murdoch University. (1982-1984)

Tutor

Undergraduate science course, "Energy and Life Systems," Murdoch University. (1983)

Interdisciplinary undergraduate course, "Science, Technology and Society," Murdoch University. On-campus mode and distance-education mode. (1980-1983)

Interdisciplinary undergraduate course in humanities and social sciences, "Structure, Thought and Reality," Murdoch University. Distance-education mode. (1980)

Undergraduate science course, "The Scientific Perspective," Murdoch University, School of Mathematical and Physical Sciences. (1979)

Supervision and Examination of Graduate Research Students

Supervisor of graduate research students (Ph.D., Masters & Honours) for the Skolkovo Institute of Science and Technology, Curtin University, the University of Minnesota, the University of Western Australia, the University of California at Berkeley, the University of Utah, Fachhochschule Pforzheim (Germany), the State University of New York at Stony Brook, Westminster College; and external examiner (Ph.D., Masters & Honours) for the University of New South Wales, Curtin University of Technology, and Murdoch University. (1990 onwards)

Online Courses

Designed and developed an online course for Philadelphia University, Philadelphia, Pennsylvania, on "Global Business Management," as part of a Certificate Program in preparation for the Certified Global Business Professional certification of NASBITE organization (North American Small Business International Trade Educators). (2004)

Managed the development of the whole Certified Global Business Professional Certification Online Preparatory program for Philadelphia University (Pennsylvania) and MindEdge, Inc. (Massachusetts), comprising four courses and corresponding exams: Global Business Management, Global Marketing, Supply Chain Management, and Trade Finance. <http://www.philau.edu/globalbusiness/index.htm> (2004)

Research Grants Awarded / Principle Investigator

Otto Moensted Foundation, Grant of DKK 210.000,00 for Otto Moensted Visiting Professorship (Otto Mønsted Gæsteprofessorat) for research at the Copenhagen Business School. Project topic: "Intellectual property strategies for international technological competitiveness for companies, countries and regions" (2020-2022)

The Hong Kong Polytechnic University, University Research Grant (\$249,800). Joint project with Prof. Chi Fai Cheung, Dr. Woo Yong Park & Prof. Kelvin W. Willoughby.
Project title: "A scenario-based product-service system for servitization of gerontechnology for aging in place." (2017-2018)

The Hong Kong Polytechnic University, University Research Grant (\$128,000). Joint project with Assoc. Prof. Chi Fai Cheung, Dr. Wai Ming Wang Prof. Kelvin W. Willoughby and Dr. Artie Ng.
Project title: "Development of a multi-faceted technology assessment system for measuring the performance of innovative technology-intensive enterprises." (2011-2012)

Thailand-Global Entrepreneurship Research Project (incorporating the GEM - Global Entrepreneurship Monitor - Project), Mahidol University & Office of Small and Medium Enterprise Promotion, Thailand. (3,360,000 baht)
Project title: "Thai Entrepreneurship in a Global Context." (2007-2008)

Federal Laboratory Consortium for Technology Transfer (operating budget 2003, \$5,000; operating budget 2004, \$7,000 & \$8,000)
Entrepreneurial Technology Apprenticeship Program (graduate assistant expenses 2003, \$16,000; 2004, \$8,000)
Project title: "Technology Transfer Training and Education Resources Project." (2002-2004)

TumTech GmbH (Technical University of Munich) & Degussa AG (Duesseldorf, Germany) (Euro 25,000)
"The Virtualization of Universities." (2001-2002)

Ministry of Education, Research, Science and Technology (Federal Republic of Germany); joint research project with Roland Berger & Partner GmbH & Fraunhofer Management Gesellschaft mbH. Total budget approx. DM 700,000.
Project title: "Study of the Development and Operating Mechanisms of Technological Competence Centers in Germany." (1998)

Utah Life Science Industries Association (\$17,260)
Project title: "Study of the Bioscience Technology Industries in Utah." (1998)

Research Foundation of the State University of New York (\$40,500)
Project title: "Study of the Biotechnology and Biomedical Engineering Industries in New York." (1996)

The University of Utah (\$10,000)
Project title: "Options for a University-wide Graduate Program in Technology Management." (1993)

Australian Research Council, 1993 Small Grants Scheme (\$10,117)

Curriculum Vitae: Professor Kelvin W. Willoughby

Project title: "Local industrial networks and international activity in knowledge-based businesses: A study of the biotechnology industry in Australia, California and New York State." (1993)

Research Foundation of the State University of New York, administered by the Center for Biotechnology, State University of New York at Stony Brook and the New York Biotechnology Association (US\$35,000)
Project title: "Strategies for the Development of Biotechnology in New York." (1991)

University of California at Berkeley, Center for Research in Management (US\$10,000)
Project title: "Strategic Analysis of the Biotechnology Industry." (1989/1990)

Commonwealth of Australia, Office of Local Government, and the Western Australian Department of Regional Development and the North West (\$18,000)
Project title: "Evaluation of local enterprise development programs in Western Australia."
Joint project with J. Moon. (1988)

Commonwealth of Australia, Department of Industry, Technology and Commerce, NIES Scheme (\$32 500 year 1, \$96 300 over 3 years; 1987 - 1990)
Project title: "The Ingredients of Successful Entrepreneurship in a Middle Economy: The Case of Knowledge Based Companies in Western Australia". Joint project with A. Morkel. (1987)

Government of Western Australia, Technology and Industry Development Authority (\$17,000)
Project title: "Technology, Agriculture and Regional Development". (1986 -1987)

Other Academic and Professional Experience

Associate Dean of Education (university-wide), Skolkovo Institute of Science and Technology, Moscow, Russia (2015-2016); Chair of Curriculum Committee (2014-2016); member of Institute-wide Doctoral Research Committee (2015-2016); member of Policy Review Committee (2014-2015); member of Personnel Committee / Faculty Appointment Committee (2014-2015); member of Education Committee (2016 onwards); member of Library Committee (2014-2015); member of President and Academic Council (2015); member of Disciplinary Board, Skoltech (2017-2018); Director, Innovation and Intellectual Property Laboratory* (2014 - onwards). [*previously "Innovation and Intellectual Property Management Research Unit"]

Director, GLORAD, Center for Global R&D and Innovation (2018 - onwards)

Guest Professor, School of Intellectual Property, Nanjing University of Science and Technology, Nanjing, China. (December 2017 - December 2022)

Visiting Professor, Department of Industrial and Systems Engineering, The Hong Kong Polytechnic University, Kowloon, Hong Kong (2011 - 2020).

Adjunct Professor, School of Electrical Engineering, Computing and Mathematical Sciences, Curtin University, Australia (2018 - 2020)

International Scientific Committee member, 6th International Conference on Knowledge Management in Asia Pacific (KMAP 2012), Shanghai, China, October 10-12, 2012.

Elected Professoriate Member, Strategic Review Board, Curtin Business School, Curtin University (2011 -)

Member of Minerals and Energy Strategic Planning Committee, Curtin University (2011).

President, *Willoughby International, LLC*.

Willoughby International LLC is an international professional firm, based in Minneapolis, USA, providing research, consulting and management services in the fields of intellectual property, regional technology-based industry development and international business. Clients have included private companies, high-technology industry associations, national governments, state/provincial governments,

Curriculum Vitae: Professor Kelvin W. Willoughby

educational institutions and research organizations in the United States, Europe and Asia (1997-present).

Intern, Max Planck Innovation, Munich, Germany; advanced-ceramics patent analysis and strategy project. Max Planck Innovation is the technology commercialization / technology transfer organization of the Max-Planck-Gesellschaft zur Förderung der Wissenschaften e. V. (<http://www.max-planck-innovation.de>) (2008).

Congress Participant, Ninth EIPIN (European Intellectual Property Institutes Network) Congress 2007-08, Zurich / Gerzensee (Switzerland), Strasbourg (France) and London / Windsor (U.K.).
Team participant, Topic: IP Enforcement, Technical Compatibility and Standards. (2007-2008)

Convenor, *The IP Roundtable*, Munich Germany. (2007-2008)

Vice-President, Technology and Life-Sciences Entrepreneurship Division, U.S. Association for Small Business and Entrepreneurship (2007); Vice-President Elect (2006); Program Chair (2005); Program Chair-Elect (2004).

Director, Thailand-Global Entrepreneurship Research Project (incorporating the GEM - Global Entrepreneurship Monitor - Project), Mahidol University & Office of Small and Medium Enterprise Promotion, Thailand (2007).

Co-Chair, Statewide Bio-industry Assessment Project, BioBusiness Alliance of Minnesota, Minneapolis-St. Paul (2005-2006).

Visiting Professor, Graduate School of Business, Curtin University of Technology, Australia (2006).

Visiting Research Fellow, Research Center for Advanced Science and Technology (RCAST), Department of Intellectual Property, The University of Tokyo, Tokyo, Japan (2005).

Member, Education and Training Committee, Federal Laboratory Consortium for Technology Transfer, United States Government (2003-2004)

Curriculum Development Consultant, MindEdge, Inc., online education (2004)

Professor, Etisalat University / Etisalat College of Engineering, Sharjah, United Arab Emirates (visitor, 2004)

Faculty Member & Member of Planning Group, Emerging Minority Business Leaders Program, Sponsored by the U.S. Minority Business Development Administration (2003-2004)

Coordinator, Re-accreditation Process, Gore School of Business (2003)

Visiting Scholar, Milano Graduate School of Management and Urban Policy, New School University, New York City (2003).

Chair Elect of the Faculty, Westminster College. (2003)

Member of the Faculty Senate, Westminster College. (2003-)

Member of College-wide Strategic Planning Committee, Educational Signature, Westminster College. (2003)

Chair, Sabbatical and Merit Leave Committee, Westminster College. (2002, 2003)

Director, Education and Training Project for Technology Transfer and Technology Management in the Federal Government Laboratories. Joint venture with the Federal Laboratories Consortium of the U.S. Government. Chair: L. Murray (F.L.C.) Co-director: J. Miller (F.L.C. & N.T.T.C.). (2002, 2003 -)

Board Member, MediaPort, Inc., Salt Lake City [digital technology communications company]. (2002-)

Curriculum Vitae: Professor Kelvin W. Willoughby

Faculty Mentor for Westminster College MBA Student Business Planning Team that won First Place in the state-wide business planning competition, the *Utah Entrepreneurship Challenge*. (2002)

External Reviewer, Master of Business Administration in Technology Management, State University of New York, Institute of Technology, Utica/Rome. (2001)

Principle designer of curriculum for new graduate degree programs: Master of Business Administration in Technology Management & Master of Science in Technology Commercialization, Gore School of Business, Westminster College. (2001).

Academic Director and Program Manager for proposed international graduate program, Master of Science in Technology Management, to be offered in Guangzhou, China, and in New York, by the College of Engineering and Applied Sciences, State University of New York at Brook. (2001)

Academic Director and Program Manager, international graduate program, Master of Science in Technology Management (with a focus on Information and Telecommunications), offered in Seoul, Korea, and in New York, by the College of Engineering and Applied Sciences, State University of New York at Stony Brook (in Association with the Institute of Industrial Policy Studies). (1999-2001)

Member, Working Group on Technology and Economic Development in the Tri-State Region, New York Academy of Sciences. (1998-2001)

Member, International Council, State University of New York at Stony Brook. (1999-2001)

Member, Advisory Board, School of Professional Development and Continuing Education, State University of New York at Stony Brook. (1999-2001)

Member, Provost's Advisory Committee on Undergraduate Business Education, State University of New York at Stony Brook. (2000)

Received a US\$1.2 million industry grant to endow the David Eccles School of Business contribution to the Management of Technology Program at the University of Utah [jointly with the Dean of Business and the Development Director of the David Eccles School of Business] (1997).

Member, Evaluation Team, Utah State Board of Regents, Review of Technology Management Baccalaureate Degree Program, Utah Valley State College. (1996)

Member, Advisory Board, Bachelor of Science in Technology Management, Utah Valley State College. (1996)

Vice President (and co-founder), Western Australian Technology Studies Society. (1992-1994)

Director, Honours Program, Department of Organizational and Labour Studies, The University of Western Australia. (1991-1994)

Member, Technology Studies Consultative Committee, Western Australian College of Advanced Education. (1988-1994)

Advisor/Consultant, Prince of Songkla University, Thailand. Establishment of a new university-wide program in management of technology and technology transfer. (1988)

Member, Central Valley Project, Agricultural Issues Center, University of California, Davis (1989-1990)

Visitor, Department of Business and Management, University of Stirling, Scotland, United Kingdom. (August 1988)

Permanent Alternate Member (representing the University of Western Australia), Management Committee, Institute for Small Business Research, Western Australia. (1988-)

Curriculum Vitae: Professor Kelvin W. Willoughby

Expert Advisor, Interdepartmental Advisory Committee on Local Economic Initiatives, Government of Western Australia. (August 1988)

Member of Organizing Committee, 1988 Conference, Australian and New Zealand Association of Management Educators.

Associate, APACE Development Consultants Ltd., Sydney, Australia.

Prepared a proposal to the Government of Western Australia on behalf of the Vice-Chancellor's Office of the University of Western Australia for the establishment of a science and technology policy research centre. (1987)

Convenor of Department of Management (University of Western Australia) Research Seminar Series (1988). Co-convenor (with Prof. A. Morkel) of the cross-campus seminar series on Industry Strategy and Technology Policy. (1986,1987).

Planned and chaired joint project of Western Australian Science, Industry and Technology Council, and W.A. Department of Employment and Training, on "Technology Choice for Employment Generation" (an empirical and theoretical study aimed at producing investment criteria for use in technology, innovation and industry development policies). (\$30 000; 1984-1986)

Consultant to the Technology Directorate of the Government of Western Australia on the employment impacts of technology. (1984)

Australian delegate to International Consultation, "The Future: Science, Faith and Justice in Asia," University of Philippines (Quezon City), Manila, Philippines, December 18-22, 1983.

Convenor, Community Science Group, Murdoch University. (1981-1983)

Member of various ad hoc working groups of government departments; numerous talks to community groups and service organizations. (1980-1988)
